

Essential Glutathione

Why This Supplement?

Essential Glutathione contains the body's most potent antioxidant, proven to help combat oxidative stress and aid immune function. Glutathione utilizes a particular citrus carrier and effervescent delivery system to combat oxidative stress and deliver antioxidants. Optimals Glutathione is safely sourced from the amino acids glutamine, cysteine, and glycine in a citrate-effervescent matrix.

What Sets Us Apart?

Just like your Health Professional, Optimal Health Systems cares about patients, which is why we exclusively create supplements with nutrients derived from whole foods—not cheap, synthetic alternatives. Rest easy, knowing you're getting the best nutrition possible.

The Results!

Glutathione deficiency is increasingly recognized as a risk factor in coronary artery disease, asthma, neurodegenerative disorders, cognitive-behavioral problems, and various types of cancer.

Quick Facts!

- Glutathione is the body's research-proven powerhouse antioxidant shown to play a significant role in immune function by balancing out oxidative stress
- Glutathione protects against damage to cell membrane proteins.

Dosing

Take 1 effervescent wafer dissolved in water 1-2 times daily or as prescribed by a health professional
