

Essential P-5-P

Why This Supplement?

Essential P-5-P addresses the decline in vitamin B6 conversion, crucial for liver function, celiac disease prevention, aging well, and benefiting autism. This biologically active P-5-P form supports cognitive function, energy metabolism, and overall well-being.

What Sets Us Apart?

Just like your Health Professional, Optimal Health Systems cares about patients, which is why we exclusively create supplements with nutrients derived from whole foods—not cheap, synthetic alternatives. Rest easy, knowing you're getting the best nutrition possible.

The Results!

Taking Essential P-5-P activates enzymes, aiding in the conversion of essential amino acids, and supports metabolism for increased energy. It promotes brain and kidney health, preventing deficiencies that can lead to depression, fatigue, irritability, and weakness. Beyond cognitive function, it supports kidney health, energy levels, and prevents deficiencies that impact mental and physical well-being.

Quick Facts!

- **Enzyme Activation:** Essential P-5-P stimulates enzyme activity, essential for building, breaking down, and transforming amino acids, crucial for bodily functions.

- **Metabolic Boost:** This formula aids in the metabolism of lipids, carbohydrates, and proteins, providing a sustainable energy source for the body.

Dosing

Take 1 capsule daily, or as directed.
