

Essential Resveratrol

Why This Supplement?

Dr. Harris's Essential Resveratrol stands out due to its highly bioavailable whole food form, sourced from Japanese knotweed and alcohol-free red wine extract. Formulated with Opti-Blend delivery system, it ensures optimal absorption for immune support and acts as a potent free radical scavenger.

What Sets Us Apart?

Just like your Health Professional, Optimal Health Systems cares about patients, which is why we exclusively create supplements with nutrients derived from whole foods—not cheap, synthetic alternatives. Rest easy, knowing you're getting the best nutrition possible.

The Results!

Essential Resveratrol delivers immune enhancement and serves as a powerful antioxidant, preventing coronary diseases and mitigating inflammatory conditions like arthritis, lupus, and celiac disease. Its corrective immune action reduces overactivity and boosts antibacterial properties, offering a holistic approach.

Quick Facts!

- **Research-Backed:** Supported by over 2,000 studies, it prevents coronary diseases and exhibits anti-inflammatory effects.
- **Corrective Immune Action:** Alleviates arthritis, lupus, and celiac disease by modulating immune responses.
- **Free Radical Fighter:** Acts as a potent antioxidant, neutralizing reactive oxygen species and improving antioxidant enzyme activity.

Dosing

Take 3 capsules daily, Take 1 with each meal or as directed.
