

Essential Shrooms

Why This Supplement?

Essential Shrooms is a potent blend of therapeutic mushrooms, combining the power of beta-glucans and polysaccharides for ultimate immune and brain health support. This synergistic formula harnesses the benefits of Lion's Mane, Reishi, Cordyceps, Turkey Tail, Shiitake, Maitake, and Chaga mushrooms.

What Sets Us Apart?

Just like your Health Professional, Optimal Health Systems cares about patients, which is why we exclusively create supplements with nutrients derived from whole foods—not cheap, synthetic alternatives. Rest easy, knowing you're getting the best nutrition possible.

The Results!

Taking Essential Shrooms promotes immune function, reduces inflammation, and supports cognitive health. The diverse mushroom lineup, including Lion's Mane and Cordyceps, enhances nerve growth, energy levels, and overall vitality. Cordyceps enhances lung capacity, increases ATP production, and is a popular choice among athletes for boosting physical performance.
