

Turn Fats And Sugars Into Useful Energy

Metabolic Machine

Uses lipase, a patented form of chromium, rosemary, and other herbs to help metabolize fat and sugar as energy.

Stop the Spikes

Contains ingredients specifically tailored to lower and stabilize blood sugar levels.

Break it Down

Properly breaks down fats and sugar to avoid obesity, high cholesterol, and more.

Restore Proper Digestion

Fixes the real problem of poorly digested fats and sugars instead of trying to get rid of them once they are insufficiently digested.

Dairy-Free

GMP
Certified

Non-GMO

Opti-Blend

Whole Food

Gluten-Free
