

Opti-Para

Why This Supplement?

Opti-Para tackles parasites, a more significant issue in the US than people think. With millions infected, common signs include nausea, weight loss, and fatigue. Opti-Para's potent blend, featuring wormwood, black walnut, and more, fights parasites effectively and safely. Prioritize your GI tract's health!

What Sets Us Apart?

Just like your Health Professional, Optimal Health Systems cares about patients, which is why we exclusively create supplements with nutrients derived from whole foods—not cheap, synthetic alternatives. Rest easy, knowing you're getting the best nutrition possible.

The Results!

Opti-Para expels parasites using potent herbs, supporting digestive health and restoring balance. It alleviates symptoms, ensuring sustained gastrointestinal wellness by defending against various parasites and utilizing nature's arsenal, including wormwood and black walnut. It is formulated for GI tract health and includes digestive enzymes, herbs, and nutrients supporting microbial balance.

Quick Facts!

- Opti-Para defends against various parasites, addressing a prevalent but often overlooked health concern.
- Harnessing the power of wormwood, black walnut, and more, Opti-Para employs nature's arsenal against parasites.

Dosing

Take 4 capsules daily or as directed.
