

## Optimal BonePlus Calcium

### Why This Supplement?

The patented amino acid-chelated calcium, zinc, and copper blend ensures 200% enhanced absorption and bioavailability. An extremely important ingredient here is Ipriflavone which stimulates osteoblasts, promotes bone protein manufacturing, facilitates minerals into the bone matrix, and is the only nutrient shown to reverse osteoporosis.

### What Sets Us Apart?

Just like your Health Professional, Optimal Health Systems cares about patients, which is why we exclusively create supplements with nutrients derived from whole foods—not cheap, synthetic alternatives. Rest easy, knowing you're getting the best nutrition possible.

### The Results

Formulated with patented amino acid-chelated minerals like calcium and the powerful effects of ipriflavone, it promotes bone health, reversing osteoporosis and reducing fracture risks. Optimal BonePlus Calcium absorbs 200% more efficiently than common calcium supplements. Say goodbye to brittle bones and welcome a proactive approach to bone strength and well-being.
