

Formulated to Improve Energy Levels and Neurotransmitter Health

Stress Blocker

Uses whole food ingredients to protect your brain from the negative effects of stress.

Strength Builder

Helps strengthen the critical elements of your brain that have been weakened by too much stress.

Brain Fuel

Provides electrons for ATP synthesis that fuels mitochondria in brain cells to stop brain fog, slow mental processing, and cognitive decline.

Preserve Your Brain

Stops your brain's reaction to chronic stress, allowing your brain to focus on remembering and not just surviving.

Dairy-Free

GMP
Certified

Non-GMO

Opti-Blend

Whole Food

Gluten-Free
